

## discover new adventure in the heart of Bamburi Forest Trails

Bamburi Forest Trails is a mined out quarried landscape that has been transformed into a lush, green forest. It offers a cool, serene, fresh ambiance free from the noise and dust pollution of the city. Visitors can enjoy a leisure walk as they revel in the solitude that the trails provide. For the fitness enthusiasts, there is an option of either the jogging or cycling trails, guaranteed to make your session a memorable one.
